Gift idea of luxury jewelry decorating

Tue, 12/16/2008 - 18:08 - Sofie

A beautiful ornament, a "normal" outfit all perk up and add just that little bit extra. The jewelry of his super-trendy decorating with an exotic touch. That the exotic jewelry is therefore no surprise: Marjo, the owner of this beautiful jewels, namely traveling very much. "Who makes travel far touches inspired by colors, cultures and customs. Unique objects, jewelry and special accessories for ourselves or our surroundings' grace '. Often very colorful, sometimes just by beautiful simplicity. Decorating is a pun, created during one of my trips. "Marjo said.

The jewels of decorating (www.versiert.nl) based on an old technology node, as the nomads in South America and Asia that did. It is given a contemporary twist, so that modern and contemporary fashion jewelry appropriate arose. Each ornament is special, there is no second copy of. These are handmade jewelry by designers in the Orient and America and the materials used are of lasting quality. The stones of jewelry have been selected with great care and create a unique style. Ideal for during the winter is a bit of a summers and exotic feeling!

Are you already bowled over by these jewels? Good news because then I can make someone happy with this beautiful gold ring (14 carats) with stones Monday. This ring has a value of 85 euros!

Would you like to receive this ring as kerstkadeau? Los quickly this question: What's the name of the old knot technique which is used in the jewelry of decorating? Send your answer as soon as possible to sofie@fashionata.be.

I give you one small hint: the answer can be found on the website of decorating: www.versiert.nl Good luck!
